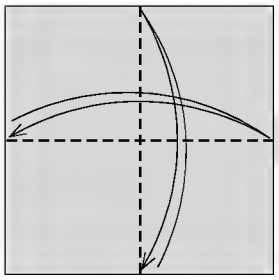
Yuanbao

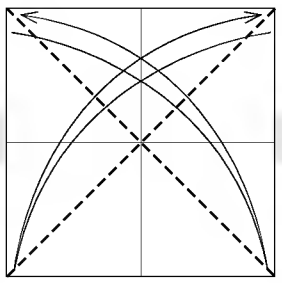
© Ronald Koh - 2000

1.

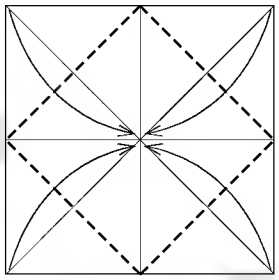


Turn paper over.

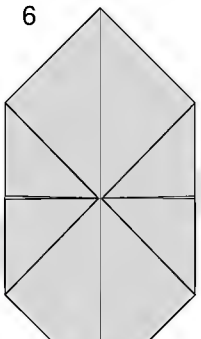
2



3.

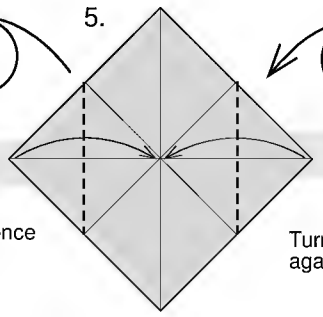


6



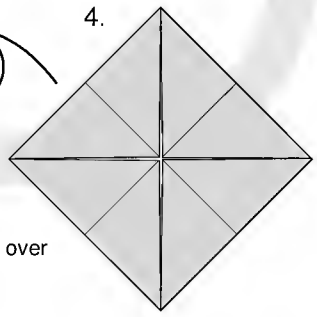
Turn over once more.

5.

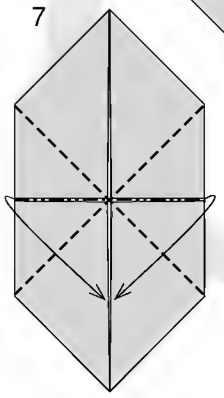


Turn paper over again.

4.

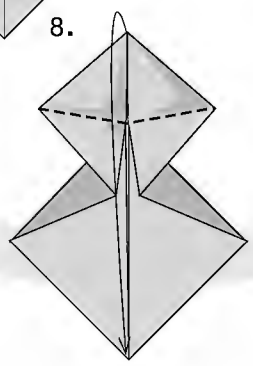


7



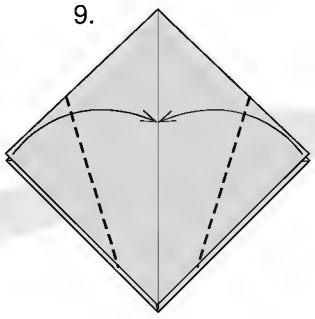
Draw the edges at each side to the middle, ...

8.

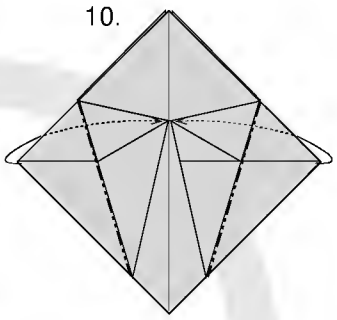


... then bring the top half all the way down

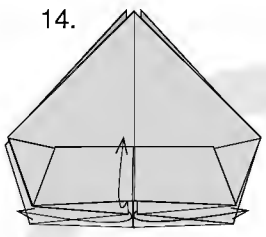
9.



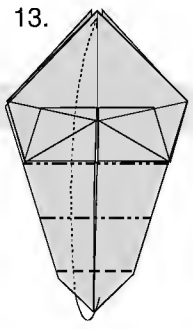
10.



14.

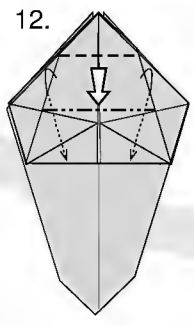


13.



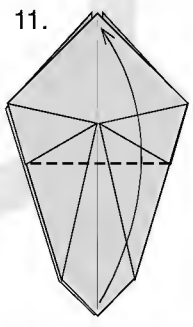
Repeat Steps 11 & 12 at the back

12.

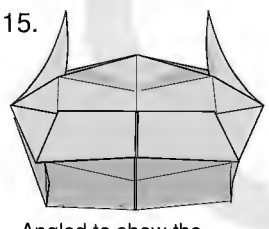


Stuff the upper section of this flap into the pocket immediately behind.

11.

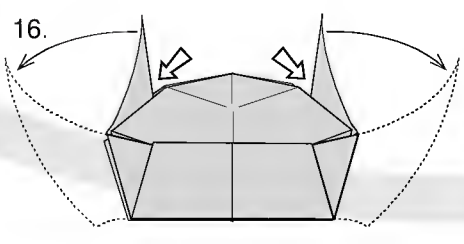


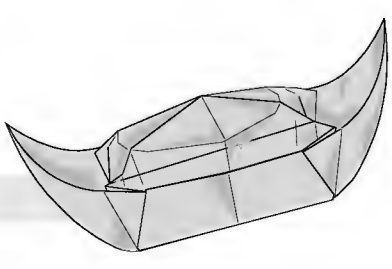
15.



Angled to show the underside of the yuanbao

16.





Open out both sides by pushing the upright fflaps outwards. Finally, adjust the shape of the yuanbao to resemble the final illustration
